Description Set contains the two most popular Knipex items sold in the automotive market; includes the 10" Cobra pliers and 10"; straight diagonal cutters. 10"; Cobra pliers offers the self-gripping jaw design and the patented pushbutton adjustment (for fast and easy adjustments). 10"; diagonal cutters offers a high leverage design (to reduce operator fatigue) and an extended reach because of the longer 10"; handles. Packaged in an attractive clear-front pouch with a hanging hole.
